

TABLE 8.3-continued

mAb 2	Top Titers	AA, AL, AM, AV, GF, GL, GT, SA, ST
	Top Tm	AI, AV, GI, SI, GV
	(low titers we observed with HC:	
	56 H and M)

- [0256] Both the foregoing general description and the following detailed description are exemplary and explanatory only and are not restrictive. The use of the singular includes the plural unless specifically stated otherwise. The use of "or" means "and/or" unless stated otherwise. The use of the term "including", as well as other forms, such as "includes" and "included", is not limiting. Terms such as "element" or "component" encompass both elements and components comprising one unit and elements and compo-
